You are invited to attend **4-H Electric Camp** on the campus of the University of Tennessee-Knoxville during the week of **June 26-June 29, 2023**. The camp is open to all **4-H members in grades 6-8**. The theme for the camp this year is "Connecting YOUth to the Future". This is an exciting week filled with many neat projects and hands-on learning in the field of electricity. **The cost for the camp this year is \$325.00**. The fee covers housing, meals, admission to "Dollywood" amusement park and other recreational activities.

Please make your check payable to: U. T. Extension and return it with your registration form(below). Enclosed you will find an information sheet about the camp that you and your parents can discuss. **Deadline to register is Wednesday, April 19, 2023**.
